

CLEAR ALL

Window, Ceramic and Glass Cleaner

Product Description:

Clear All is a ready-to-use cleaner on windows, glass and ceramic surfaces. A special blend of surfactants for a streak-free finish! It is safe for use on glass, windows, mirrors, clear plastic, computer screens, fibreglass and plexiglass. Do not use it on varnished surfaces. Our natural window and glass cleaner eliminates fingerprints, greasy smudges, rain spots and dirt without streaks.

Features:

- Can be used for a wide range of applications.
- Due to its specific composition, the product is economical in use.
- Eliminates the toughest of grime and grease.
- Fast working and effective.
- The product is biodegradable.

Application:

Apply the product to the surface to be cleaned. Wipe with cloth, newspaper or paper towel. Add sparkle to your surface by using a lint-free cloth or microfiber towel to wipe clean. Newspapers can also provide great results. Extra absorbent paper towels can leave behind residue while cleaning.

Active Ingredient: CAS Number

Aqua	: (CAS No.) 7732-18-5
IPA	: (CAS No.) 67-63-0
3-Butoxypropan-2-ol	: (CAS No.) 5131-66-8
Propylene Glycol	
Monobutyl Ether	: (CAS No.) 9003-13-8

Physical Properties:

Physical State	: Liquid.
Colour	: Blue Liquid.
Odour	: Distinct Odour.
pH	: 8 @ 20°C
Flashpoint	: 25°C

Storage:

Products shall be ideally stored in a cool, dry location in unopened containers at a temperature between 8° to 28°C (46° to 82°F) unless otherwise labelled. Optimal storage is at the lower half of this temperature range. Do not return any material to its original container to prevent contamination of unused products.
