

# GLITTER + QUAT

Removes Stains, Renews Shine & Kills Germs

## Product Description:

Glitter+Quat is a strong cleaning agent that helps quickly remove dirt, grime and mild stains. This neutral cleaner (pH=7) is safe for use on tile grouts and tile surface shine for eliminating soap scum and hard water deposits. The disinfectant provides the widest range of Germ, Bacteria and Virus killing action while carrying a pleasant smell that helps deodorise the substrate.

## Features:

- Available in 3 different fragrances as well as non-scented.
- Does not damage surfaces or coatings.
- Does not exude any toxic fumes.
- Due to its specific c
- Glitter+Quat is biodegradable.
- Safe for use on tile grouts and tiles.

## Application:

For regular cleaning dilute 50 ml in water to create up to 2 Litre of solution. For tougher cleaning reduce water dilution. Apply the cleaning solution to the area and clean with a mop or soft-bristled brush. Rinse the area after with fresh water. Change cleaning solution at least every 200 sq. ft or as per the application area conditions

Active Ingredient:	CAS Number
Aqua	: (CAS No.) 7732-18-5
EDTA	: (CAS No.) 77-92-9
Citric Acid	: (CAS No.) 68439-46-3

Quaternary ammonium compounds,  
benzylcoco alkyl-dimethyl, chlorides : (CAS No.) 61789-71-7  
Non-ionic  
Surfactants : (CAS No.) 6540-99-4

## Physical Properties:

Physical State : Liquid.  
Colour : Varies according to the scent.  
Odour : Varies according to the scent.  
pH : N/A  
Flashpoint : N/A

## Storage:

Products shall be ideally stored in a cool, dry location in unopened containers at a temperature between 8° to 28°C (46° to 82°F) unless otherwise labelled. Optimal storage is at the lower half of this temperature range. Do not return any material to its original container to prevent contamination of unused products.

## Packaging:

Available in 10 litres, 25 litres and 200 litres Packaging.

## Safety:

Refer to the appropriate MSDS before handling and using it. Due to the product composition based on the caustic blend, handling products without protective gloves is not recommended.
