

TRIOFLOOR NF

1

Granite, Marble and Stone Cleaner

Product Description:

Trio floor NF is a neutral and non-foaming cleaner which cleans natural and artificial flooring without damaging polish or other finishes. The product is a concentrate which can be used at a concentration from 5% up to as required and as a non-diluted cleaner based on the cleaning requirements. At a very low concentration, rinsing is not required.

Key Features & Benefits:

- Alkaline and water-based.
- Long lasting pleasant scent
- Trio floor NF biodegradable.

Application Guidelines:

Dilute the solution depending on the level of dirt to be removed. To determine the correct dilution, try to clean a small area. Apply the solution and scrub lightly as required. On stubborn stains, multiple applications or extended scrubbing may be required. Do not let the solution dry on the surface. Remove the dirty solution by cleaning it with a mop or vacuum. Rinse with clean water is required.

Packaging:

Available in 6 litres, 25 litres and 200 litres Packaging.

Storage & Shelf life:

Products shall be ideally stored in a cool, dry location in unopened containers at a temperature between 8° to 28°C (46° to 82°F) unless otherwise labelled. Optimal storage is at the lower half of this temperature range. Do not return any material to its original container to prevent contamination of unused products.

Safety:

Avoid contact with skin and eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wear protective gloves when mixing or using. In case of accident or if you feel unwell, seek medical advice immediately (show the label whenever possible). Refer to the appropriate MSDS before handling and use.
